

Our focus:

"... to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of God's Son and become mature, attaining to the whole measure of the fullness of Christ." Ephesians 4:12-13

The Diocese of the NT is committed to building up and equipping our people in Christ, no matter where they live and what language they speak.

This is why we are excited about the Aboriginal Ministry Development Project.

Through this project, we are actively seeking to walk alongside our own Aboriginal church leaders, to continue strengthening them as they serve their community and congregations. The challenges are great, given the remoteness and diversity in language and culture, and scarcity of resources. We cannot do it alone and so this is why we are seeking to partner with the whole Body of Christ throughout Australia and beyond in this task.

We are seeking your prayers, your care, your financial support and, for some, your help 'on the ground.'

Please consider how you would like to contribute.

In Christ,

Bishop Greg Anderson
